

Month of Making Christmas Zoetrope!

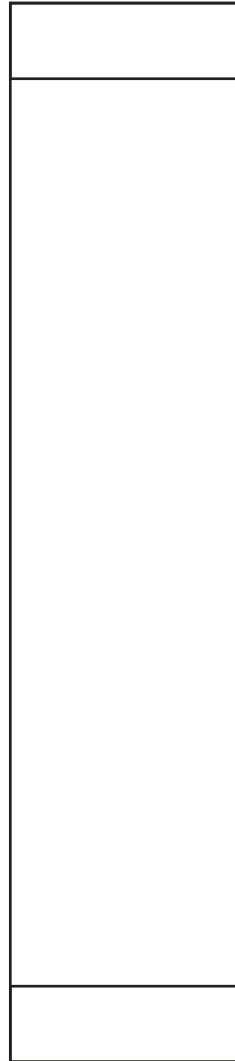

2 x Top Disks
(1 x with slots 1 x without)

Outer diameter 18cm, inner diameter 13.5cm. Slots 3cm wide.

**2 x Base Disks
(1 x with slots 1 x without)**

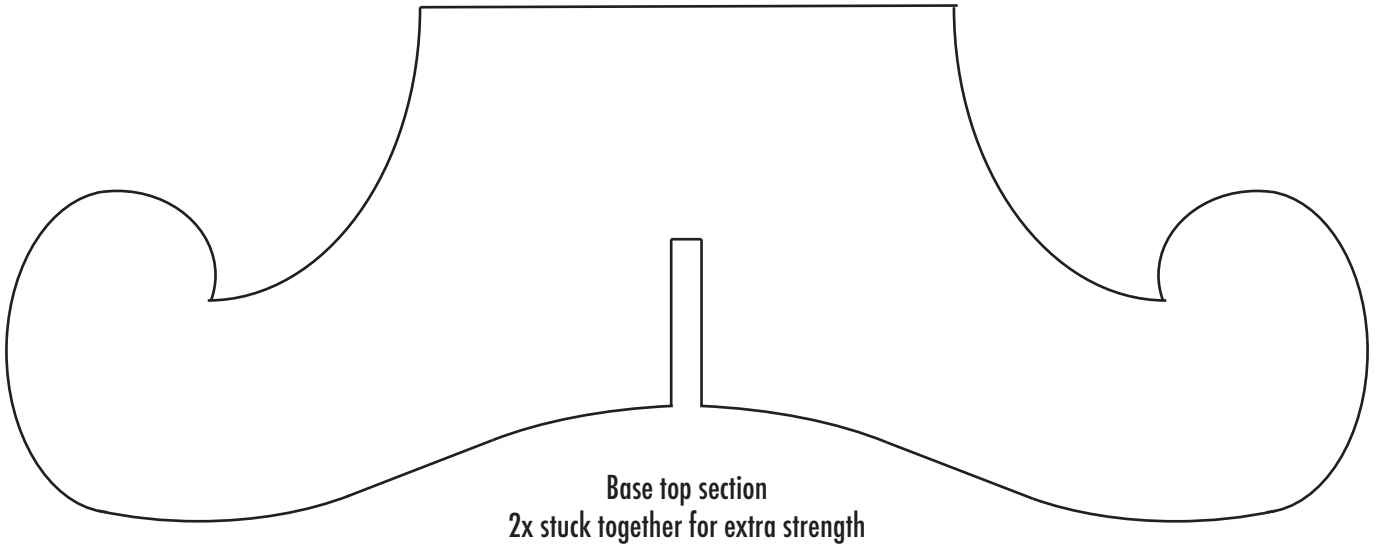

Outer diameter 18cm, inner hole 3cm. Slots 3cm wide

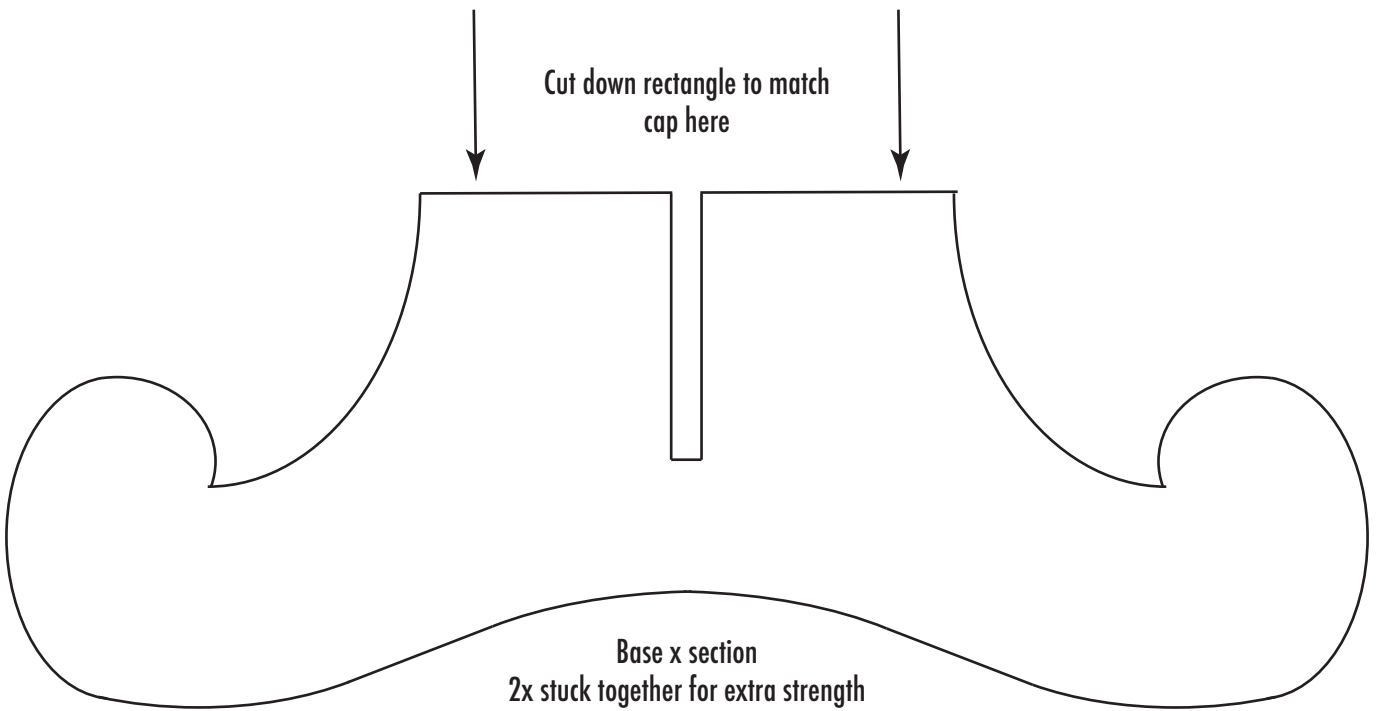

12 x Pillars 3cm wide, 14cm tall with 1cm scored top
and bottom for folding over

Making the Base

Cut to the width of your cap with slots down the sides for the edges of the cap to sit into

Cut down rectangle to match cap here

This is an example of what the shape should look like with the cap space cut in

The total width should be around 18cm
